Snapshot report

Under the agreement for 2014
Kogan State School received $8458

Our full 2014 agreement can be found here: <insert link to 2014 agreement>

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Implement a 5 week data cycle which incorporates identifying learning needs and adjusting teaching programs to meet these needs.
- Analyse student spelling data on a fortnightly cycle to adjust curriculum, resources and pedagogy.
- Restructure the classes within the school to allow for year 3’s to have smaller group instruction with literacy and numeracy.
- Administer Early start assessments, interpret the data and use it inform needs program to track the progress in the P-2.
- Ensure all Year 3 students reach DDSW benchmarks.
- Work with Regional Early Childhood team, local council and community to develop an educational program for Pre-Prep, source sustainable funding for a teacher and suitable space to start term 3.
