From the Principal

School overview

Established in 1897, Kogan State School is situated on the Dalby Kogan Road approximately 50 kilometres south-west of Dalby and approximately 50 kilometres south-east of Chinchilla. Kogan State School is part of Darling Downs South West Region and provides a co-educational, multi-age setting for students in years Prep to Six. The school offers curriculum programs in line with the priorities of the Department of Education and the Australian Curriculum, with a strong focus on literacy and numeracy.

In 2019, Kogan State School operated as a two-teacher school and had a total enrolment of 28 students. The school staff consists of a teaching principal, a full-time teacher, one Distance Education LOTE teacher, a part-time business manager, three part-time teacher aides, one cleaner and a groundsman.

We provide and facilitate a quality education that makes a positive difference to the lives of all students at our school, as we support all students in developing their confidence and striving for personal success. The value of the parental role in education is recognised at Kogan State School. Parents and carers are encouraged to become actively involved in the school, with our Parents and Citizens Association fostering cohesion within the school community and providing the advice and additional resources critical to our success.

At Kogan State School everyone has a shared responsibility and accountability to ensure every student is supported to succeed. Teachers and support staff are highly skilled, and are clear and explicit in their teaching approach. Explicit teaching and quality relationships underpin our success.

At Kogan State School we provide a highly effective primary education in a safe, supportive learning environment, aiming to prepare young people to lead successful and productive lives. We foster confident, literate and numerate lifelong learners who can succeed in an ever changing world. This is achieved through adopting a Positive Behaviour for Learning (PBL) whole-school approach to creating a safe and supportive learning environment. Our four school wide expectations of Be Respectful, Be Responsible, Be a Learner and Be Safe are explicitly taught and implemented throughout the school.

| Indigenous | 4 | 5 | 7 |
| Enrolment continuity (Feb. – Nov.) | 68% | 100% | 92% |

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

Average class sizes

Table 2: Average class size information for each phase of schooling

| Phase of schooling | 2017 | 2018 | 2019 |
|--------------------|------|------|------|
| Prep – Year 3 | 13 | 12 | 14 |
| Year 4 – Year 6 | | | 3 |
| Year 7 – Year 10 | | | |
| Year 11 – Year 12 | | | |

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

School disciplinary absences

| Type of school disciplinary absence | 2017 | 2018 | 2019 |
|-------------------------------------|------|------|------|
| Short suspensions – 1 to 10 days | 1 | 1 | 0 |
| Long suspensions – 11 to 20 days | 0 | 0 | 0 |
| Exclusions | 0 | 0 | 0 |
| Cancellations of enrolment | 0 | 0 | 0 |

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

| Utility category | 2016–2017 | 2017–2018 | 2018–2019 |
|-------------------|-----------|-----------|-----------|
| Electricity (kWh) | 7,606 | 9,108 | 9,675 |
| Water (kL) | 81 | 38 | |

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links
